LIFESTYLE™ TURF & PLAY
Alternative Lifestyle Surfaces

Welcome to Lifestyle Turf and Play

Our mission is to transform ordinary spaces into extraordinary places. We offer versatile, innovative solutions that combine functionality with beauty – backed by an unwavering dedication to quality, safety and customer satisfaction.

WHY CHOOSE US

What Makes Us Different?

Safe
Non-toxic, family- and pet-friendly surfaces built for lasting peace of mind.

Affordable
Quality turf and flooring at prices that let you create the space you want.

Eco-friendly
Recycled materials – including redundant tyres – to reduce waste.

Stylish & Versatile
A wide array of colours, textures and finishes to suit any look.

FEATURED

Artificial Living Walls

Elevate your space with endless greenery

Artificial living walls merge the beauty of nature with modern convenience. Designed to replicate the lush appearance of botanical walls, these versatile installations enhance any space with an effortless aesthetic that blends functionality, style and eco-conscious design.

01 No watering or pruning

02 Indoor & outdoor use

03 Instant privacy & ambience

WHAT WE DO

LIFESTYLE™ TURF & PLAY
Alternative Lifestyle Surfaces

Our Products

We don't believe in one-size-fits-all. Our comprehensive range caters to a wide variety of needs and spaces – designed to enhance quality of life while respecting the environment.

01

Astro-Turf and Artificial Lawns

Lush, natural-looking lawns all year round – no mowing, watering or pests. Ideal for gardens, corporate properties and recreational areas.

02

Wetpour Rubber Surfaces

Playground surfaces built to SANS51177:2010, providing optimal protection from trips, falls and slips– in bright colours and creative patterns.

03

Rubber Surfaces and Coatings

Practical, resilient and good-looking – versatile enough for gyms, childcare facilities, sports arenas and high-traffic residential or office areas.

04

Epoxies and Decorative Surfaces

Seamless, polished epoxy finishes that stand up to heavy traffic, plus decorative surfaces in vibrant colours and unique patterns.

05

Sports Facility Flooring

Shock-absorbing, durable floors for athletic facilities and fitness centres – engineered for performance, safety and minimal maintenance.

06

Residential and Commercial Flooring

Durable, comfortable flooring for high-foot-traffic spaces, made with recycled materials and available in an array of colours and textures.

Our Commitment to Excellence

- Leaders in Innovation
- Eco-Conscious Practices
- Community-Centred Initiatives
- Customer-Centric Philosophy

Let's create your space
